

Santa Clara Dog Training Club

PRESENTS:

Denise Fenzi

Building Drive and Motivation for All Sports

&

Problem Solving for Competitive Obedience

November 1 & 2, 2014

9:00 AM – 5:00 PM

Location: Fetch Sam! 342 Race Street, San Jose, CA 95126

Denise's positive training methods are widely recognized for producing dogs with exceptional attention, accuracy, and enthusiasm for their work. A twenty five year veteran of training, competing, and titling in schutzhund, obedience, tracking, agility, conformation, and herding who has earned many HITs in obedience and schutzhund along the way, Denise regularly teaches obedience for both the AKC ring and schutzhund field. In competition Denise's dogs routinely score in the high 190s in AKC obedience and high 90s in schutzhund obedience. Denise breeds working Belgian Tervurens under the kennel name "Sprite." Please visit both of her websites at www.spritebelgians.com and www.denisefenzi.com.

Saturday November 1st - Building Motivation and Drive for All Sports:

Denise will cover drives and how to build them to a level that they can be used throughout our training for any sport. Participants will gain an understanding of their dog's behavior, and learn specific techniques for working with their dog. Both toy play and personal play (just the handler with their dog) will be covered extensively. Working time will be in both groups and one on one.

Sunday – November 2nd - Problem Solving For Competitive Obedience:

This seminar allows extensive working time with each team. There is no group work. Each dog's problem or stage of training is discussed, and options for working through the problem are presented. The team then practices with continuous feedback from Denise.

Working spots are limited to 12 each day and will be filled on a first come basis. In order to allow more participants, Saturday and Sunday working spots are offered as one day working + one day auditing.

If there are openings for working spots on either of these days as of October 1, they will be offered to those registered with a working spot on a first come basis in the order which registration has been received.

Denise Fenzi Seminar

November 1 and 2, 2014

I would like to register for:
